“CFVI Friends and Family Fund for the USVI Renewal” (FNF) – This Fund is for donations from CFVI’s family, friends, Fund Donors, Angels and other partners of CFVI. It will be directed by CFVI’s Board of Directors and will focus on immediate grass-roots needs in the community and support long-term solutions in some of the Foundation’s main areas of focus. (i.e. early childhood, youth development, volunteerism, the elderly, emergency needs of families, etc)
Cáritas of Puerto Rico is aiding the victims of Hurricane Maria, providing them with assistance, social, human and spiritual support. We have already impacted thousands of families throughout Puerto Rico as a living sign of God’s love in a very difficult time for those who live in Puerto Rico. We are part of the Caritas Internationalis Confederation and a member agency of Catholic Charities USA.

We are a group of people that are wanting to help Puerto Ricans ("Boricuas") in our own airplanes and helicopters, on our own time, but we need help with the gas for the airplanes!

We are shuttling supplies and medical necessities to small communities and villages who haven't seen any aid yet, from San Juan and Ponce. There are plenty of supplies on the island, it is just a matter of organizing and getting them to the people who need it!
