All Health Services and Health Promotion							
(5) Are significant changes to the fee am	ount anticipated within the next thr	ree (3) years?		Yes			
If yes, please explain.							
The Health fee has remained unchanged	over the last four (4) fiscal years in	response to requests from the Bo	ard of Regents. Future fee	increase requests are anticipated to cover			
increased operational costs and expansion	on of services.						
(6) Does this fee support any type of deb	ot service? If yes, please explain in de	etail.		No			
(7) Other than the student fee committe	e what percentage of the student f	body was made aware of the fee?	How was the student body	y at large informed and/or engaged in the

In his letter regarding student fees, date		t fee increase requests will only be	con <u>sidered if:</u>				
(1) the fee supports a PPV at risk of fallin							
(2) represents a prior commitment to a r	multi-year fee plan.						
Which of these scenarios is applicable for	r this increase? Why is a fee increas	e critical to the success of the activ	vities described in this tem	plate? What would be the effects of the			
fee remaining flat?							
The narrative should reference the auxili	ary 5-year business plans whenever	possible for justification.					
The current Business Plan indicates Heal	th Services will use its reserve funds	s to cover deficits in operational ex	knenses. The use of reserve	e funds as a short term strategy is feasilble			
				Since our major source of revenue is the			
Health Fee, increases to the fee are need	led to sustain high levels of service,	acquire leading technologies and	advance programming, all	of which include increases in operating			

expenses. With the founding of the Center of Community Health and Well Being, Health Services will play an intricate role in the development and cultivation of this new center. To live up to our commitment of excellence and ensure students received the best health care, an increase in fee is needed to maintain operational effectiveness.
